

SOLUTIONS FOR EVENTS

FFER
WWW.AFTER.IT

AFTER supplies IT solutions and services for major international events, with focus on advanced Event Management Systems.

Based in Rome, AFTER works all over the world for high level events like World championships, European championships, Political summits, International congresses and Exhibitions.

AFTER ensures an incomparable experience in the event operations and related issues and challenges, thanks to more than 35 years of activities worldwide in more than 400 events: on line registration, accreditation, workforce management, volunteer management, planning, scheduling, rostering, access control, uniform distribution.

AFTER is currently involved in big projects with National and International Sport Federations, Organising Committees and Government Institutions.
